Psy-help-online.ch is an internet-platform in Switzerland with experienced, independent psychologists from all over Switzerland. It fulfills criteria of the federation of Swiss psychologists for psychological offers in the internet (competence, security, privacy etc.). Counselling or psychotherapy can be conducted via webmail, online-chat, telephone or Skype and it can be undertaken in German or English. Clients can choose a psychologist from a pool of professional psychotherapists and arrange a date in the online calendar.

The screenshot shows the website's header with the logo and navigation menu. The main content area is titled "Sie suchen online Beratung / Psychotherapie mit Psychologen?". Below the title, there is a search bar and introductory text. A list of services and contact information is provided, including a phone number and a link to the online calendar. The footer contains legal notices and contact details.
